6. Miscellaneous information

- a. Not more than one Republic of Vietnam (RVN) Gallantry

Cross Unit Citation will be worn by any individual. This precludes wear of the Vietnamese Fourragere which represents additional unit awards of the RVN Gallantry Cross. Although wear of multiple awards of this unit citation badge is not authorized, official military personnel and historical records will indicate all awards received. In those instances, however, where a single unit received duplicate Vietnamese unit awards during the same period only one will be recorded in official military personnel and historical records. As an illustration, Battery D, 5th Battalion, 2d Artillery, was awarded the RVN Gallantry Cross with Palm during the following periods: 1 September 1968 to 15 March 1969 and 1 September 1968 to 30 September 1970. Members of this unit, who were assigned during either of these two periods, are eligible for only one award.

b. RVN Gallantry Cross Unit Citation takes precedence over the RVN Civil Actions Unit Citation and is beneath all United States unit citations, the Philippine Republic Presidential Unit Citation, Republic of Korea Presidential Unit Citation, and Vietnam Presidential Unit Citation. Where an individual has been assigned to a unit which was cited by two or more military command levels of the Republic of Vietnam, the appurtenance worn will be that of the highest level. Only one appurtenance will be worn on each badge. The RVN Gallantry Cross was awarded by the Vietnamese Government for valorous combat achievement in four degrees, as follows:

(1) With Palm—To a unit which is cited before the Armed Forces.

(2) With Gold Star—To a unit which is cited before a Corps.

(3) With Silver Star—To a unit which is cited before a Division.

(4) With Bronze Star—To a unit which is cited before a Regiment/Brigade.

c. One bronze service star is authorized for each campaign for combat service within the territorial limits for Vietnam and adjacent waters. It is worn on the Vietnam Service Medal. One bronze service star is authorized for wear on the Armed Forces Expeditionary Medal for the Grenada Operation. See paragraph 8 for campaign information.

d. Department of the Army General Orders (DAGO) 8, 1974, announced award of the RVN Gallantry Cross Unit Citation with Palm for service in Vietnam to the following units:

(1) Headquarters, United States Military Assistance Command and its subordinate units during the period 8 February 1962 to 28 March 1973.

(2) Headquarters, United States Army Vietnam and its subordinate units during the period 20 July 1965 to 28 March 1973.

7. Assault landing credits

a. DAGO 48, 1971, as amended by DAGO 8, 1979 announced award of assault landing credits to participating units in an airborne assault in the vicinity of Katum, Republic of Vietnam, between the hours of 0900 and 0907, inclusive 22 February 1967. The arrowhead is authorized for wear on the Vietnam Service Medal for this assault landing in Vietnam.

b. DAGO 33, 1984, announced award of assault landing credits to participating units in the airborne assault in the vicinity of Point Salinas, Grenada, between the hours of 0635 and 1300, inclusive, 25 October 1983. The arrowhead is authorized for wear on the Armed Forces Expeditionary Medal for this assault landing in Grenada.

8. Campaign participation credits

An organization is given campaign participation credit if it actually engaged the enemy in combat, was stationed in the combat zone, or performed duties either in the air or on the ground in any part of the combat zone during the time limitations of the campaign. Service stars are worn on the service and campaign medals to denote participation in campaigns. The following are lists of campaigns for the Vietnam Conflict and the Grenada Operation.

a. Vietnam campaigns.

(1) Vietnam Advisory Campaign, 15 March 1962—7 March 1965.

(2) Vietnam Defense Campaign, 8 March 1965—24 December 1965.
